Hawaii charter boat captains and owners – your response is important!

Who?

- Hawaii Charter Boat Captains
- Hawaii Charter Boat Owners

When?

Look for a survey questionnaire in the mail in **February 2012**

How?

Complete the mail survey or you can schedule an in-person interview

What?

NOAA wants to better understand your fishing expenditures and costs, levels of investment, and charter fishing activity.

Why?

This research will detail the important contributions charter fishing provides Hawaii's economy. Fishing-related expenses support jobs and provide revenues and other benefits to the economy. This research will also establish important baselines for assessing the economic impacts of future ocean management plans, management alternatives and actions. Your response is important.

All individual information and survey responses will remain confidential
