

# Hawaii Bottomfish Survey 2010

New NOAA Study to Value Bottomfish Fishing in Hawaii

If you catch any of these fish your response is important!

## Who?

If you hold a . . . .

- State of Hawaii Commercial Marine License (CML)
- Federal Non-Commercial Bottomfish Permit

## When?

You will receive a survey questionnaire in the mail **April 2010**

## What?

We want to hear about

- *your* motivations for bottomfish fishing
- *your* attitudes and perceptions towards current management issues in the fishery
- *your* suggestions for future management

Additionally, we wish to collect information on levels of investment, fishing expenditures and costs, as well as fishing activity for the main Hawaiian Islands (MHI) bottomfish fleet.

## Why?

This information will provide feedback to managing agencies by detailing estimates of the important economic contributions your bottomfish fishing activities provides to the State and will help to establish a baseline for assessing the economic impacts of future management plans, management alternatives, and actions.

**All individual info and survey responses will remain confidential**
