Hawaii Small Boat Survey 2014

NOAA Study to Value Small Boat Fishing in Hawaii

Who?

If you hold a State of Hawaii Commercial Marine License (CML) and have reported the catch and sale of fish in Hawaii in 2013 you will be invited to participate.

When?

Surveys will be sent out in **Summer of 2014**. You will also have the option to fill out the survey online.

What?

We want to hear about:

- your fishing experiences
- your trip expenditures
- your suggestions for future management of Hawaii fisheries

Why?

We know fishing is important to you. This study will help fishery managers better understand the economic and cultural importance of small boat fishing in Hawaii. Additionally, your comments will contribute valuable feedback to the fishery management agencies.

All individual information and survey responses will remain confidential
